BRAMA 300-SERIES PANTRY REFRIGERATOR

Brama 300-Series Pantry Refrigerator (BR-300GREF) features sleek black cabinet body and door with a pole handle that make this unit a great addition to any pantry or garage setting. Beautiful enough to place inside the home, we designed this refrigerator with added insulation to be able to be used out of sight. With special insulation in both the cabinet and the door, it can withstand the higher temperature changes in warmer or colder climates. With a single temperature zone, this unit is perfect for storing food, groceries, and beverages at the right temperature.
