

EL-24THWB

24-Inch Wine & Beverage Cooler with Top Handle

Vinotemp's 24-Inch Wine & Beverage Cooler with Top Handle makes the perfect, stylish way to display your wine bottles and beverage cans. This unit features two metal wine shelves with wooden lip, two tempered glass shelves, black cabinet body, dual-pane glass door with seamless stainless steel and a top pole handle. Soft blue interior LED lighting illuminates the cooler's contents behind a seamless stainless steel door, making this wine & beverage cooler an aesthetically pleasing addition to any room. A centrally located digital control panel makes adjusting the temperature simple while providing peace of mind that your wines and beverages are always ready to be enjoyed. This wine & beverage cooler is equipped with front exhaust, which allows it to be either installed built-in or freestanding. Beautiful and functional, this unit has a sleek, elegant design that will give your wine & beverage collection a touch of luxury and the distinction it deserves.
