

EL-40WCBC

SINGLE-ZONE BEVERAGE COOLER

OWNER'S MANUAL

A PROUD HERITAGE OF EXPERIENCE & QUALITY

YOUR BEVERAGE COOLER

This unit can be used for storage and/or service. The unit has a glass door and soft interior light that you can use to display your beverages or even wine.

SERVING BEVERAGES

Storing beverages at the proper temperature is important. To preserve them as long as possible beverages should be stored at approximately 39° Fahrenheit. However, the chart below suggests the optimal drinking temperature for the different styles of beverages.

SERVING WINES

Storing wines at the proper temperature is important. To preserve them as long as possible wine should be stored at approximately 55° Fahrenheit. However, the chart below suggests the optimal drinking temperature for the different styles of wine.

°C	°F	Wine Style
18	64	Full Bodied Red Wines, Shiraz
17	62	Tawny Port
15	59	Medium Bodied Red Wines
14	57	Amontillado Sherry
13	55	Light Bodied Red Wines
12	54	Full Bodied White Wines
11	52	Medium Bodied White Wines
10	50	Rosé, Light Bodied White Wines
9	48	Vintage Sparkling
8	46	Fino Sherry
7	45	Non Vintage Sparkling

°C	°F	Beverage Style
12	53	Water
10	50	Black Ale
7	45	Sour Beers
7	45	Pale Ale
7	45	Dark Lagers
6	43	Iced Coffee
5	42	Premium Lagers
4	40	Wheat Beers
3	38	Light, Pale Lagers
3	38	Coca-Cola
2	35	Dairy

GENERAL OPERATING INSTRUCTIONS

Remove all external and internal packaging from your appliance. Be sure that all parts have been included before discarding any packaging materials. You may want to keep the box and packing materials for use at a later date.

Upon receipt and inspection of unit, the supply cord must be replaced if it is damaged. Contact our customer service at 1-800-777-8466 or info@vinotemp.com.

Let the unit rest UNPLUGGED for 24 hours once you have it placed in your home.

READ ALL INSTRUCTIONS BEFORE USING THIS APPLIANCE

-Save these instructions-

IMPORTANT SAFETY INSTRUCTIONS

To reduce the risk of fire, electrical shock or injury when using your appliance, follow these basic precautions:

- Do not operate this or any other appliance with a damaged cord.
- Do not operate if housing is removed or damaged.
- Exercise caution and use reasonable supervision when appliance is used near children. Never allow children to operate, play with or crawl inside the appliance. Keep packing materials away from children.
- Before performing any maintenance or cleaning, ensure that the unit is unplugged or that the power line is disconnected.
- Do not clean appliance with flammable fluids. Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance. The fumes can create a fire hazard or explosion.
- Exercise caution when moving and installing the unit. The cooler is heavy and may require two or more people when moving the unit to prevent strain or injury.
- To ensure proper ventilation for your appliance, the front of the unit must be completely unobstructed. Choose a well-ventilated area with temperatures above 41 °F and below 100 °F.
- Locate the unit away from direct sunlight and sources of heat (stove, heater, radiator, etc.). This unit is intended for indoor use only and must be installed in an area protected from the elements.
- Place the appliance on a solid, level surface.
- Do not attempt to repair or replace any part of your appliance unless it is specifically recommended in this manual. All other servicing should be referred to a qualified technician.
- Connect to properly polarized outlets only. It is recommended that a separate circuit, serving only your appliance be provided. Use receptacles that cannot be turned off by a switch or pull chain. Be sure that the plug is fully inserted into the receptacle.
- To protect against electric shock, do not immerse appliance, plug or cord in water or other liquids. Avoid locating the unit in moist areas.
- This appliance is designed to be built-in (fully-recessed) or freestanding.
- Do not use this appliance for other than its intended purpose. For indoor, household use only.
- Do not operate the unit with wet hands, while standing on a wet surface or while standing in water.
- Do not use solvent-based cleaning agents or abrasives on the interior of the cooler. These cleaners may damage or discolor the interior.
- Keep fingers out of pinch point areas and be careful when closing doors if children are around.
- This appliance is designed for storing and cooling wines. Do not store perishable food or medical products within the unit.
- When disposing of refrigerated appliances, special handling is often required. It is the consumer's responsibility to comply with federal and local regulations when disposing of this product.
- Do not slide your beverage cooler into place.
- **WARNING:** Risk of child entrapment and suffocation. Before you throw away this or an old unit, take off the door. Leave the shelves in place, so that children may not easily climb inside.
- Caution: flammable refrigerant used! When handling, moving and use of the refrigerator, make sure to avoid either damaging the refrigerant tubing, or increasing the risk of a leak.

ELECTRICAL CONNECTION

Improper use of the grounded plug can result in the risk of electrical shock. If the power cord is damaged, frayed or shows cracks or abrasions across its length, have it replaced at an authorized service center.

For your protection, this unit is equipped with a 3-conductor cord set that has a molded 3-prong grounding-type plug, and should be used in combination with a properly connected grounding-type outlet.

- Do not under any circumstances cut or remove the third ground prong from the power cord supplied. For personal safety, this appliance must be properly grounded.
- The cord should be secured behind the unit and not left exposed or dangling to prevent accidental injury.
- A standard electrical supply (115V AC only, 60Hz, 15A), properly grounded in accordance with the National Electrical Code and local codes and ordinances, is required.
- Never unplug the unit by pulling the power cord. To disconnect the appliance, always grip the plug firmly and pull straight out from the wall outlet. When moving the unit, be careful not to damage the power cord.
- The unit should always be plugged into its own individual electrical outlet with a voltage rating that matches the rating label on the unit.

Extension Cord

CAUTION: It is strongly recommended that you do not use an adapter or an extension cord with this unit.

PARTS AND SPECIFICATIONS

- ① Cabinet
- ② Stainless steel glass door
- ③ Stainless steel handle
- ④ Ventilator
- ⑤ Leveling legs
- ⑥ Control panel
- ⑦ Shelves
- ⑧ Lock

MODEL No.	EL-40WCBC
Voltage	AC 115V
Frequency	60Hz
Ambient Temp Range	41-100°F / Humidity 45-90%
Control Temp Range	41-65 °F
Refrigerant	R600a/1.16OZ
Power Consumption	1.39kWh/24h
Input Power	100W
Net Weight	82 lbs
Gross Weight	87 lbs
Dimensions (WxDxH)	17.7in x22.6in x34.3in
Box Dimensions (WxDxH)	19.7in x25.2in x36.2in

*Note: EL-40WCBC cans storage capacity is based on a standard 330ml coke cans. Storing mineral water bottles or different size of cans will influence the bottles/cans capacity of the beverage cooler.

VINOTEMP EL-40WCBC SINGLE ZONE BEVERAGE COOLER

BOTTLE CAPACITY

You may adjust the shelves of your beverage cooler to accommodate more or less cans.

It is not suggested to stack the cans on top of each other.

EL-40WCBC: Depending on how the cans and shelves are placed, you can store approximately 95 cans.

INSTALLATION

- Remove all packing material before using your beverage cooler.
- **IMPORTANT:** Before connecting the unit to a power source, let it stand upright for approximately 24 hours. This will reduce the possibility of a malfunction in the cooling system from handling during transportation. This unit is designed for freestanding or built in installation but indoor use only. Position the unit in a dry and well-ventilated place. Avoid placing the beverage cooler near any source of heat or moisture, or in direct sunlight. Do NOT install the unit in a location with an ambient temperature that will fall below 41°F.

(The picture is just for reference)

- For built-in installation, leave a 1/4" (6.35mm) space on each side and at the top of the beverage cooler to ensure proper air circulation to cool the compressor and condenser. Also, be sure to not obstruct the front exhaust vent with any objects as this may affect the unit from performing properly.
- For freestanding installation, leave 6" of space at the back, 10-12" of space on each side, and unlimited clearance at the top of the beverage cooler are suggested to ensure proper air circulation to cool the compressor and condenser. Do not place underneath a table, counter top, or anything of the sort as this will not allow for proper air circulation.
- Do not slide the unit into place.
- Place the beverage cooler on a level surface strong enough to support it when it is fully loaded. To level the beverage cooler, adjust the front leveling legs at the bottom of the beverage cooler. For best performance it is recommended that you install the appliance in a location with an ambient temperature between 41-100°F. If the ambient temperature is above or below recommended temperatures, the performance of the unit may be affected.
- Plug the beverage cooler into an exclusive, properly installed-grounded wall outlet.

INSTALLING THE STAINLESS STEEL HANDLE

This wine cooler includes a stainless steel handle that is not required to operate this unit. To install the handle please follow the below instructions:

- ① Pull away the door gasket in the area where the handle is to be installed. You can see two designated holes for handle installation. The gasket is easily displaced by hand, no tools are necessary.
- ② Install the handle tightly as shown below with the two screws, lock washers and flat washers provided. (DO NOT over tighten as this will cause damage to the handle assembly and stainless steel surface of the glass door).
- ③ Replace the door gasket to its original position.

INSTALLING THE CHARCOAL FILTER

To install the charcoal filter, please follow the below instructions:

- Place the carbon filter on top the wooden shelf.
- The back of the filter has a 3M glue tape which you can affix to the shelf or the inside of the unit.

OPERATING YOUR BEVERAGE COOLER

The beverage cooler should be placed in a position where the ambient temperature is between 5-38°C/41-100°F. Humidity level is between 45-90%. If the position is above or below this range, the performance of the unit may be affected. For example, placing your unit in extreme cold or hot conditions may cause interior temperature to fluctuate.

NOTE:

- When you use the beverage cooler for the first time or restart the beverage cooler after having been shut off for a long time, there could be a few degrees variance between the temperature you select and the one indicated on the LED readout. This is normal and it is due to the length of the activation time. Once the beverage cooler is running for a few hours everything will be back to normal.
- If the unit is unplugged, power lost, or turned off, you must wait 3 to 5 minutes before restarting the unit. If you attempt to restart before this time delay, the beverage will not start.

The controls of your wine cooler

① Up

Used to raise (warm) the set temperature by 1°C or 1°F.

② Temperature Display

③ °C/°F Display

④ Down

Used to lower (cool) the set temperature by 1°C or 1°F.

⑤ Set Temperature

Press this button, press UP/DOWN mark to set temperature. To view the “set” temperature at any time, touch the UP or DOWN mark, the “set” temperature will temporarily “flash” in the LED display for 5 seconds.

⑥ °C/°F Selector

Select the temperature display setting in Fahrenheit or Celsius degree.

⑦ Power

To control the appliance, turn on/off. To turn off the appliance, touch the  mark and hold for at least 5 seconds. Press  again, turn on the appliance. The LED readout will show the original temperature set previously when restart the appliance or reconnect after power cuts.

SETTING THE TEMPERATURE CONTROL

You can select temperature display setting from Fahrenheit to Celsius degree by touching the °C/°F Selector mark. Fahrenheit or Celsius degrees indicator will appear in blue color in the temperature display window. You can set the temperature as you desire by touching the UP and DOWN marks. When you touch the two marks for the first time, the LED readout will show the original temperature set previously.

- The temperature that you desire to set will increase 1°C or 1°F if you touch the UP mark once, on the contrary the temperature will decrease 1°C or 1°F if you touch the DOWN mark once.
- Temperature range: 1-18°C/34-65°F
- The temperature inside the unit will be appeared in blue color in the display window.

LED Light switch is under the control panel to control the light turn on/off.

SHELVES

- To prevent damaging the door gasket, make sure the door is fully open when pulling shelves out of the rail compartment.
- For easy access to the bottles stored, pull the shelves out approximately 90%.
- Only pull out one shelf at a time. Never attempt to pull more than one.

DOOR LOCK

This cooler comes with a lock and key combination. The keys are located inside the plastic bag containing the Owner's Manual. To unlock the door, insert the key into the lock and turn it counter-clockwise. To lock the door, insert the key and turn it clockwise, ensuring that the metal pin is fully engaged. Remove the key and place it in a secure place for safekeeping.

DEFROSTING

The beverage cooler defrosts automatically. The evaporator behind the rear wall of the unit automatically defrosts and the condensate collects in the drainage channel behind the rear wall of the unit, and flows through the drainage hole into the drip tray by the compressor, where it evaporates.

CARE AND MAINTENANCE

CLEANING YOUR BEVERAGE COOLER

IMPORTANT: Always unplug the unit before cleaning or performing maintenance. Never use harsh cleansers or scouring pads to clean any part of the unit.

- Turn off the power, unplug the appliance, and remove all items including shelves.
- Wash the inside surfaces with a warm water and baking soda solution. The solution should be about 2 tablespoons of baking soda to a quart of water.
- Wash the shelves with a mild detergent solution.
- Wring excess water out of the sponge or cloth before cleaning control panels or any electrical parts.
- Wash the outside cabinet with warm water and mild liquid detergent. Rinse well and wipe dry with a clean soft cloth.

POWER FAILURE

Most power failures are corrected within a few hours and should not affect the temperature of your appliance. If the power is off for an extended period of time, proper steps should be taken to protect your contents.

INACTIVITY

If the unit will not be used for a period of less than three weeks, leave the cooler operating. If the period of inactivity is several months, remove all items and turn the unit off. Clean and dry the interior thoroughly. Leave the door open slightly to prevent any possible moisture build-up.

MOVING YOUR BEVERAGE COOLER

Before moving your beverage cooler, first be sure to remove all items from the cooler.

- Securely tape down any loose items, such as shelves, inside the unit.
- Turn the adjustable leg up to the base to avoid damage.
- Tape the door shut.
- Ensure that the unit stays securely in the upright position during transportation. Protect the outside of the appliance with a blanket or similar item.

ENERGY SAVING TIPS

- The unit should be located in the coolest area of the room away from heat sources or direct sunlight.
- Ensure that the unit has proper allowances on all sides for proper ventilation. Never cover any air vents.
- Only open the cooler door for as long as necessary. Frequent opening of the door will affect internal temperature.

PROBLEMS WITH YOUR BEVERAGE COOLER

Most common problems can be solved easily, saving you the cost of a possible service call. Try the following suggestions to see if you can solve the problem before contacting Vinotemp at Info@Vinotemp.com.

TROUBLESHOOTING

PROBLEM	POSSIBLE CAUSE
Beverage Cooler does not operate	<ul style="list-style-type: none"> • Ensure unit is plugged into an electrical outlet. • Check if unit is turned off. • Check for a tripped circuit breaker or blown fuse.
Beverage Cooler is not cold enough	<ul style="list-style-type: none"> • Check the temperature control setting. • External environment or ambient temperature may require a higher setting. • Check if door does not close completely or is open too often. • Check if door gasket does not seal properly.
Beverage Cooler turns on and off frequently	<ul style="list-style-type: none"> • The room temperature may be hotter than normal. • Check if door does not close completely or is open too often. • Check if door gasket does not seal properly. • The temperature control is not set correctly.
Beverage Cooler light does not work	<ul style="list-style-type: none"> • Ensure unit is properly plugged in. • Check for a tripped circuit breaker or blown fuse. • Check if the light switch is OFF.
Beverage Cooler makes too much noise or vibrates	<ul style="list-style-type: none"> • Check to ensure the unit is level. • The rattling noise may come from the flow of refrigerant. This is normal. • As each cycle ends, you may hear gurgling sounds caused by the flow of refrigerant in the unit. This is normal. • Contraction and expansion of the inside walls may cause popping and crackling noises.
Beverage Cooler door will not close properly	<ul style="list-style-type: none"> • Check to ensure the unit is level. • The door was reversed and was not properly installed. • The gasket is dirty. • The shelves are out of position.

Terms of Sale

Shipping/Delivery fees are the responsibility of the Purchaser. Seller is not responsible for the carrier's missed/Non delivery for any reason. Delivery is curbside. Optional upgrades in delivery service is an additional fee. If upgraded delivery service cannot be performed properly, Purchaser agrees to accept delivery curbside and the difference in upgraded cost will not be refunded. If item with free shipping/freight is canceled in transit, a charge of 25% of the price of the unit/s plus freight costs both ways will be charged. All damages must be noted at time of delivery on BOL and Seller to be notified within 48 hours of delivery of such damage. Purchaser acknowledges if cancellation is authorized by Seller, a 35% restocking fee and freight both ways will be charged. No cancellation or refund on made-to-order products. If an order has been placed and production has not started, cancellation fee of 15% of total amount will be charged. Cancelled orders paid by Credit Card will have an additional fee of 3% deducted from the total refund. Once your order has shipped, the shipping address cannot be changed. Refurbished units are sold as is. Purchaser assumes risks to the quality and performance of goods and assumes the costs of all necessary service or repair not covered herein.

(Box here for check mark) Accept Terms & Conditions

Vinotemp International Corp. ("Seller") and the person or entity that acquires these goods from Seller ("Purchaser") hereby fully agrees to the following terms and conditions of the sale: Shipping/Delivery fees are the responsibility of the Purchaser whether freight prepaid or freight collect. Seller assumes responsibility for the goods sold to the Purchaser until the goods have reached Purchaser's delivery address (FOB Destination) and the delivery receipt is signed clear. Seller is not responsible for the carrier's late delivery, missed delivery, unpaved roads, remote locations, stairs, elevators, narrow door openings and other such issues in attempting to fit or deliver the goods into the Purchaser's location. Delivery to remote locations may require additional fees. Remote location may be defined at the discretion of the carrier as more or less than 50 miles from the nearest major city. Purchaser assumes all responsibility for additional costs related to freight such as access, measurement, installation, hookup, wiring, moving and storage of the goods, flight of stairs, carrier's inability to safely and/or adequately deliver, inability to use the building elevator to lift the goods, narrow openings, along with any additional costs to deliver or redeliver the product properly. Make sure to review access to the property and size of the product ordered. The transportation of all goods is subject to the terms and conditions which the carrier imposes on Purchaser. Installation is the responsibility of the Purchaser. If white glove delivery was ordered and cannot be performed properly, or access is hindered in any way, Purchaser agrees to accept delivery curbside (delivery service cannot be refunded). If Purchaser will-calls or pays for their own freight responsibility transfers to the Purchaser when the Purchaser or Purchasers freight company picks up the unit from Seller. Freight quoted are either curbside, threshold or white glove. Standard white glove delivery is main floor, easy access and NO STAIRS, Doors, aligned feet attached (if necessary) and removal of packaging, additional fees for additional requests. Each service has a different rate and will require additional fees. If freight is not charged (Free Shipping or Freight Included) and the order is cancelled after shipping, a freight charge of 25% of the cost of the unit,

each direction will be charged. Item swap outs are arranged as curbside delivery and pickup unless noted otherwise. There is no white glove service for returns. Approved returns must have original and/or proper packaging. Swap-outs (Delivery and Pick up are at the same time) Original unit must be packed and ready for carrier pick up at time of delivery of new unit. Packaging of old unit must be adequate for shipping, not oversized or on a pallet if unit was not originally delivered on a pallet. Carrier will not drop off new unit if the original unit is not ready. If the carrier has to make a second attempt, customer will be subject to additional charges for the attempted delivery and for any packaging issues. Deliveries include ONE attempt by the shipping company to deliver the product to the consumer. If for any reason the customer is unavailable to accept the order and the product is undeliverable under any circumstances, the customer will be responsible for any extra shipping and handling charges. We are a manufacturer not a shipping company, deliveries are done by a 3rd party service. Email us at info@vinotemp.com for a quote or any additional information. Freight discussed is Continental USA (excluding Alaska, Puerto Rico, Hawaii), cost is additional please email info@vinotemp.com for a quote.

If you use a service repair company without approval or parts not supplied by Vinotemp and your unit under warranty fails to work, we will repair your item provided you ship your unit prepaid to and from our facility in Henderson. Vinotemp is not responsible for install or removal costs or unauthorized repairs. If the repair or unauthorized part damaged the unit, we will provide customer a cost to repair that damage.

California Proposition 65 Warning: The products sold on this ecommerce website and to the public may contain chemicals and other substances known to the State of California to cause cancer and birth defects and other reproductive harm.

Totes made of vinyl, imitation leather, and/or leather material contain lead and/or other substances that are known to the State of California to cause cancer, birth defects and other reproductive harm.

Microfiber "Plastic microfiber" means a small synthetic particle that is fibrous in shape, less than 5 millimeters in length, and is released into water through the regular washing of textiles made from synthetic material.

Composite wood: May contain formaldehyde.

Galvanized metal and some of its constituents contain lead and/or other substances that are known to the State of California to cause cancer, birth defects and other reproductive harm.

Products made of vinyl contain lead, Diethyl Hexyl Phthalate (DEHP), and/or other substances that are known to the State of California to cause cancer, birth defects and other reproductive harm.

Acrylic may contain Acrylic Acid and/or other substances that are known to the State of California to cause cancer, birth defects, and other reproductive harm.

Appliances may contain tin or lead in either the paint or the controllers, and/or other substances that are known to the State of California to cause cancer, birth defects, and other reproductive harm.

Our barware items may contain plastic, acrylic, enamel, crystal, metal and/or other substances that are known to the State of California to cause cancer, birth defects, and other reproductive harm.

Appliances may contain Tin, Lead or Nickel.

Damage: All damages must be noted at time of delivery. If a bill is signed that there is no damage, buyer accepts delivery as free and clear. Any claim for damages of the goods, when FOB Destination, that incurred during shipment by the carrier are insured and handled directly with the carrier by the Seller if noted on the receipt and notified within 48 hours of delivery. OPEN AND INSPECT YOUR DELIVERY. When FOB Destination, if the item is damaged by the freight company, and Purchaser cancels rather than accepts a replacement, the order can be cancelled by paying for freight costs both ways and a 35% restocking fee for stocked items. No cancellation or refunds on custom/made or made to order products. When shipped 3rd Party (FOB Warehouse), Purchaser assumes all responsibility for delivery, payment of freight and freight claims for damages during shipment. Manufacture defects will be handled directly with Seller, subject to the limited warranty below.

Fees: All sales are final. Unless authorized in writing by the Seller, Purchaser may not return the goods under any circumstance. If Seller agrees in writing to take back stocked goods, there will be a restocking/service fee that is 35% of the purchase price of the goods and freight both ways (product must be new, unused, and in original packaging). If Purchaser returns goods claiming that the goods are defective and goods are found to be in working condition by the Seller, Purchaser is liable for the cost of freight both ways plus and a service fee that is 35% of the purchase price of the goods. Built to Order and Custom products are nonreturnable, nonrefundable. Purchaser must notify Seller of nonconforming goods within 48 hours of receipt, after which time all goods are deemed accepted by the Purchaser. If an order has been placed and production has not started, cancellation of your order will be a 15% charge. If Purchaser tenders payment with a check that has insufficient funds (NSF), a collection fee plus NSF fee of \$50 will be added to the invoice, which Purchaser agrees to pay promptly. If Purchaser puts a stop payment on a check or credit card for any reason, Purchaser agrees to pay for all costs associated with the Seller's collection or litigation of such a claim, including, without limitation, general and special damages, court costs and attorneys' fees. Finance charges begin the date of invoice. Title to the goods reverts back to the Seller in the case of nonpayment of goods or services. All fees and costs to retrieve the product, cost of freight, legal costs, collection fees and court fees, credit card fees and interest rate of 18% (annual rate) will be the responsibility of the Purchaser. In a credit card dispute, Purchaser assumes and must immediately pay any "credit card arbitration" fees and chargeback fees which the credit card companies charge at the time of the chargeback. Cancelled orders using a Credit Card will have an additional fee of 3% deducted from the refund.

Any disputes not resolved within 30 days from the invoice date will be reported to credit reporting agencies.

LIMITED WARRANTY: Seller warrants that the goods will be free of defects in materials and workmanship as follows:

Furniture style (wood) wine cabinets made in the U.S.: all cooling unit parts only for a period of 1 (year) year; cabinetry and labor (uninstalled) for a period of 12 (twelve) Months (Model numbers "Vino" and "Custom").

Metal cabinet units (appliances) (compressor) (made in China and Denmark)(Model numbers start with EL, VT, IL, or EP: parts and labor for cooling system and cabinetry for a period of 12 (twelve) months.

Thermoelectric Units: 90 (ninety) days (including Wine and Beverage Coolers, Beer Dispensers, Humidor, Portofino Wood Cellars, and Refrigerators). (Models start with EL, VT, IL or EP). WineMate and Cellar Tec (WM, Wine Mate or CT)(Wine Cooling Units) Split and Ducted Systems and other installed cooling units are parts only for 1 year, no labor. Self Contained WineMate Cooling Systems are 1 year parts, 1 year labor. Removal and reinstallation of cooling units is not included.

Wine Accessories, Racking Systems, Parts and Other miscellaneous items is a 30 day warranty.

Il Romanzo units: Warranty 90 (ninety) days. Replacement part 12 (twelve) months from the date of sale.

Brama: 1 year warranty from date of purchase.

Non-New Units (Scratch & Dent/Refurbished/Floor Models), warranty for compressor units is 90 days from your dated invoice and 30 days for thermoelectric units (parts for function only, not cosmetic defects). These units are refurbished and sold as is; Purchaser assumes risks to the quality and performance of goods and assumes the costs of all necessary service or repair not covered herein. Extended warranties via New Leaf may not be purchased on Non-New Units. Delivery is curbside. Upgrades in delivery will require an additional fee.

Element Grills (via Element Products LLC), grills have a thirty day limited parts warranty on grill accessories.

If a model is not listed here will have 90 day warranty on parts only if it's a new item.

Parts and Repairs: Warranty on in-house repairs: 90 days parts and labor for compressor; 30 days parts and labor for Thermoelectric; Customer is required to put down a labor deposit of \$75 for Thermoelectric units; \$150 for compressor based Wine Coolers and \$195 for WineMate units which will be kept if a unit is found to be in good working condition. Customer is responsible for freight costs to us.

Warranty on parts purchased: 30 days; if part fails within 30 days of purchase, customer is to ship us back the part; upon inspection, if defective, VT will send replacement part at no charge.

If a purchaser claims a product is "defective" with regards to refrigeration, Purchaser must obtain a letter from a qualified refrigeration technician at the Purchaser's cost to verify that the unit was installed properly, with proper ventilation and the unit is truly malfunctioning due to a manufacturing defect.

Removal or reinstallation of a unit is not included in warranted costs. Purchaser's exclusive remedy is limited at Seller's option to repair or replace defective part[s] with either new or reconditioned part[s]. Purchaser is responsible for shipping the unit prepaid to a designated facility and Seller will pay return shipping charges in the continental United States for items repaired under warranty within 12 (twelve) months from date of sale. The returned unit must be packaged correctly, with enough protection to ensure the unit is not further damaged. Oversized or lack of packaging is not permitted and will be refused. Replacement or exchanged units will be returned to Purchaser through curbside delivery only. Any redelivery fees are the Purchasers responsibility. Since the natural variation in texture, density, grain, color, tone, and shade of wood is unavoidable; Seller

does not guarantee the texture, color, tone, or shade of the wood: nor does seller guarantee the colorfastness of wood or against peeling, chipping, cracking, or scratching. Note: Unfinished wood is subject to warping; all wood surfaces must be sealed before placing cellar into service. Make sure doors are aligned by reviewing the owner's manual. Improper repair or placement of the unit will void the warranty. Any third party repair facility must be preapproved in writing by Seller, before providing replacement parts under warranty. Change Orders: Custom units already in production that require a change will be subject to a change order fee.

Storage Fees: When having an item serviced by a Vinotemp service technician at the Vinotemp facility, Purchaser agrees to pick up their repaired item or make arrangements for return shipping within a 30 day period once they have been notified by Vinotemp through phone call, email, or letter that their unit is ready for pick up. If the item remains in the Vinotemp warehouse after 30 days but no longer than 60 days, the Purchaser will incur additional storage fees of 2%. After 60 days in storage, the item will become property of Vinotemp. For custom units with deposits: If product is not picked up or shipped within 60 days of completion, Purchaser deposit is forfeited and product becomes the property of Vinotemp. Warranty period is from the date of sale (not from shipping, delivery, nor installation). All completed cabinetry, racking, or other custom work must be picked up or shipped within a period of 14 days after Vinotemp has notified the Purchaser by phone call, email, or letter. Any completed cabinetry, racking, or other custom work stored longer than 14 days will incur an additional monthly storage fee. After 60 days, the product will become property of Vinotemp.

This Limited Warranty does not cover damage due to such things as accident, misuse, abuse, mishandling, neglect, acts of God, fires, earthquakes, floods, high winds, government, war, riot or labor trouble, strikes, lockouts, delay of carrier, unauthorized repair, or any other cause beyond the control of the Seller, whether similar or dissimilar to the foregoing. Seller is not responsible for any damages caused to Purchaser's property resulting from the goods. This limited warranty applies only inside the Continental US (Alaska, Puerto Rico, Hawaii and other territories/countries are not warranted). Purchaser understands and acknowledges that the goods sold here are wine cellars, cigar humidors, and/or other similar units which house wine or cigars or other items. Purchaser assumes all risk of using these units, including risk of spoilage, humidity variations, temperature variations, leaks, fire, water damage, mold, mildew, dryness and similar and any other perils that might occur. Seller is not responsible for incidental or consequential damages, and there are no warranties, expressed or implied, which extend beyond the Limited Warranty described above. Warranty and liability are nontransferable. The implied warranties of merchantability and of fitness for a particular purpose are hereby expressly disclaimed. Some states do not allow the exclusion of incidental or consequential damages, or a waiver of the implied warranties of fitness and/or merchantability, so the above limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. Seller disclaims any indemnification for claims of infringement of any intellectual property of protectable nature. In the event of any dispute between Seller and Purchaser arising out of or relating to these terms and conditions or to the goods sold generally, Purchaser must first file a written claim with Seller within ten days of the occurrence giving rise to the claim and wait an additional thirty days for a response before initiating any legal action. The sale and all terms are subject to Nevada law. Any legal proceeding arising out of or relating to these terms and conditions or to the goods sold Purchaser shall bring, solely and exclusively in Clark County. In no event may Purchaser initiate any legal

proceeding more than six months after the occurrence of the event giving rise to the dispute. Seller may make nonpayment claims until debt is paid in full. Any dispute or claim relating in any way to these to the Terms and Conditions, the Website, or any products or services sold or distributed by or through this Website, store, or catalog will be resolved by binding arbitration, rather than in court, except that you may assert claims in small claims court if your claims qualify. The Federal Arbitration Act and federal arbitration law apply to the Terms and Conditions. We each agree that any dispute resolution proceedings will be conducted only on an individual basis and not in a class, consolidated or representative action. If for any reason a claim proceeds in court rather than in arbitration we each waive any right to a jury trial. Both parties agree to bring suit in court to enjoin infringement or other misuse of intellectual property rights.

The above terms and conditions are the only ones governing this transaction and Seller makes no oral representations of any kind. These Terms and Conditions can only be modified in writing, signed by both Purchaser and Seller.

SPECIFIC WARRANTY BELOW for SCRATCH & DENT/OPEN BOX/ REFURBISHED/FLOOR MODELS/ CLOSEOUTS, OVERSTOCK: TERMS AND CONDITIONS OF SALE

Vinotemp (and its brands Element, Wine Mate, Cellar Tec, Apex Wine Racks, Epicureanist II Romano, Brama("Seller") and the person of the entity that acquires these goods from Seller ("Purchaser") hereby fully agree to the following terms and conditions of the sale:

1. Freight: Vinotemp is not a freight, moving or installation company, if Freight is arranged for the Buyer, the Seller assumes no responsibility for the goods sold to the Purchaser once the goods have left the Seller's premises, including, but not limited to, late delivery by the moving carrier, or for events caused by any difficulty carrier incurs in attempting to fit the goods into the Purchaser's place of business or residence due to the size of the goods or otherwise, such as the disassembly and reassembly of the goods. Purchaser assumes all responsibility for delivery, payment of freight, extra fees, access, measurement, installation, hook-up, moving and storage of the goods. The transportation of all goods is subject to the terms and conditions which the moving carrier imposes on Purchaser including, but not limited to, additional charges imposed per flight of stairs, and/or additional charges resulting from the carrier's inability to safely and/or adequately use the building elevator to lift the goods to an upper floor. Any claim for damages incurred during shipment by the carrier of the goods are insured and handled directly with the carrier and must be noted at time of delivery.

2. All sales are final, and unless authorized in writing by the Seller, Purchaser is not entitled to return goods, under any circumstances. If Purchaser refuses to accept goods, the Purchaser is liable for the return and cost of freight both directions and a restocking/service fee that is 35% of the purchase price of the goods. Purchaser must notify Seller of non-conforming goods within four days of delivery, after which time all goods are deemed accepted.

3. If Purchaser tenders payment with a check that has insufficient funds (NSF), or stops payment on a check or credit card for any reason, Purchaser agrees to pay for all costs associated with the Seller's connection or litigation of such a claim, including without limitation extra damages, court costs, collection fees and attorney's fees. Finance charges begin the date of invoice. Collection fees plus NSF fee of \$50 will be added to your invoice, which you agree to promptly pay. Title to the goods does not pass until payment is received in full by Seller and Seller retains a security interest in the goods until they are paid for in full. If the credit card dispute goes to arbitration, Buyer agrees to pay for credit card arbitration fees.

4. LIMITED WARRANTY on Non-New Units (Scratch & Dent/Refurbished and Floor Models): warranty for compressor units is 90 days from your dated invoice and 30 days for thermoelectric units (parts for function only, not cosmetic defects). These units are refurbished and sold as is; Purchaser assumes risks to the quality and performance of goods and assumes the costs of all necessary service or repair not covered herein. Wine Accessories, Racking Systems and other items not mentioned are not warranted. There is no warranty on parts purchased separately. Removal and re-installation of unit is not included in warranted labor. Purchaser's exclusive remedy is limited, at Seller's option; to repair or replace defective part[s] with either new or factory reconditioned part[s]. Purchaser is responsible for shipping the unit pre-paid to designated facility and Seller will pay return shipping charges in the continental United States for items repaired under warranty. Since the natural variation in texture, density, grain, color, tone and shade of wood is unavoidable; Seller does not guarantee the texture, color, tone or shade of the wood: nor does seller guarantee the colorfastness of wood or against peeling, chipping, cracking or scratching. Note: Unfinished wood is subject to warping; all wood surfaces must be sealed before placing cellar into service. Improper placement of the unit will void the warranty. By Vinotemp in writing, any 3rd party repair facility must be pre-approved before providing parts free of charge.

5. Freight: If As-Is unit is shipped including freight and delivery is denied, customer is responsible for freight to and from buyer. Other costs Buyer is responsible for is storage, repackaging, and attempted delivery fees.

6. Vinotemp does not cover damage due to such things as accident, misuse, abuse, mishandling, neglect, acts of God, fires, earthquakes, floods, high winds, government, war, riot or labor trouble, strikes, lockouts, delay of carrier, unauthorized repair, or any other cause beyond the control of the Seller, whether similar or dissimilar to the foregoing. Seller is not responsible for any damages caused to Purchaser's property resulting from the good. This limited warranty applies only inside the Continental US. (Alaska, Puerto Rico and Hawaii are not warranted.)

7. Purchaser understands and acknowledges that the goods sold here are wine coolers, appliances, cigar humidors, and/or other similar units which may house wine or cigars or other consumables. Purchaser assumes all risk of using these units, including risk of spoilage, humidity variations, temperature variations, leaks, fire, water damage, mold, mildew, dryness and similar perils that might occur.

8. UNLESS OTHERWISE PROVIDED BY APPLICABLE LAW, SELLER IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, AND THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF; WARRANTY AND LIABILITY ARE NON-TRANSFERABLE. THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY EXPRESSLY DISCLAIMED. SELLER DISCLAIMS ANY INDEMNIFICATION FOR CLAIMS OF INFRINGEMENT OF ANY INTELLECTUAL PROPERTY OF PROTECTABLE NATURE.

9. In the event of any dispute between Seller and Purchaser arising out of or relating to these terms and conditions or to the goods sold generally, Purchaser must first file a written claim with Seller within thirty days of the occurrence giving rise to the claim and wait an additional thirty days for a response before initiating any legal action. Any legal proceeding arising out of or relating to these terms and conditions or to the goods sold generally shall be brought solely in Clark County. The prevailing party in any such proceeding is entitled to its attorney's fees and costs. In no event may Purchaser initiate any legal proceeding more than six months after the occurrence of the event giving rise to the dispute.

10. Delivery is curbside. Upgrades in delivery will require an additional fee.

The above terms and conditions are the only ones governing this transaction and Seller makes no oral representations of any kind. These Terms and Conditions can only be modified in writing, signed by both Purchaser and Seller. 09/30/2020
