

Connoisseur Series 40 Single Zone Beverage Cooler EL-40WCBC

Vinotemp's Connoisseur Series 40 Single Zone Beverage Cooler makes the perfect, stylish way to display your beverage cans. This unit features 4 tempered glass shelves, black cabinet body, dual-pane glass door with seamless stainless steel and a modern pole handle. Soft blue interior LED lighting illuminates the cooler's contents behind a seamless stainless steel door, making this beverage cooler an aesthetically pleasing addition to any room. A centrally located digital control panel makes adjusting the temperature simple while providing peace of mind that your beverages are always ready to be enjoyed. This beverage cooler is equipped with front exhaust, which allows it to be either installed built-in or freestanding. Beautiful and functional, this unit has a sleek, elegant design that will give your beverage collection a touch of luxury and the distinction it deserves.
