

EL-BF23F

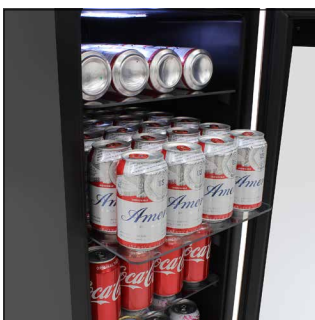

Ultra Cool 23° Beer and Beverage Cooler

Store your beverages in style with the sleek Ultra Cool 23° Beer and Beverage Cooler. The EL-BF23F unit comes with 3 adjustable rounded glass shelves, a blue LED interior light to illuminate your beverages and glass door. A touchscreen control panel is located on the upper part of the glass door to allow changes to your temperature settings. What makes this beverage cooler so prominent is the ultra-low temperature at 23°F it can get to, and a very few beverage units can go that low. This units is designed for free-standing installation in any home setting.

Note: Beverage cans may differ in size and dimensions. The actual number of beverage & beer cans you may be able to store may vary. You can place approximately 80 standard cans in this beer and beverage cooler.
